FINAL STATEMENT

OF

Private ^{4th} ~~Wm~~ J. Cooper
27th Reg't of ~~Inf~~ Infantry

VOLUNTEERS.

Under June 27, 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Discharges."

NOTE 5.—Bounty paid by State authority, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Suter and Landress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

2d. Fill up the certificate of discharge, leaving the date and place only blank, and forward these papers, with the Surgeon's certificate, to Headquarters for approval of discharge.
3d. When returned approved, make up the certificate of pay, and fill out the date and place of discharge, which should be the same on all these papers. Then deliver them to the soldier. The place of discharge is the location of the soldier at the date of giving the discharge.
These papers, properly prepared, are payable by any Paymaster. The assistance of an agent is never required to obtain pay upon them, but is only an unnecessary expense to the soldier and a hindrance to the Paymaster.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preference or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

Par. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

FINAL STATEMENT

OF

Capt. C. C. Conneliff
27 Regt of Cavalry

VOLUNTEERS.

Disch. Sept. 5, 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laurence must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as 4, 3, &c., &c.: to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant-General United States Army, at Washington, D. C., they will not, under any circumstances, be given into the hands of the soldier.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laurence must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

was tried before a Court Martial at Mansfield
Vt of which Lt Col J H Ward was President
and sentenced to be shot for desertion. The
sentence is ordered to be carried into effect on
the 16th inst Tomorrow. He is very young
not more than eighteen years of age.

The officers of his regiment made an
application for commutation of his sentence
which has not been heard from. This
young man behaved very badly but, I
have reason to believe from facts which
have transpired since his trial that he was
badly advised by an officer of his Company
who has since resigned. I would respectfully
ask that the execution be suspended until
the President is heard from on the application made
to him.

Sir

I have the honor to Submit the following statement in relation to Private James Dunn Co. F. 27 Ky. Vols. Said James Dunn was tried by Gen. C. Court Martial, which convened at Mansfield Ky. pursuant to Special Order No. 39 No. 2nd District of Western Kentucky of February 18th 1862, and of which Capt. Will H. Harvey 27 Ky Vols was President. Charge. Desertion - "Specifications" In this that the said James Dunn, did desert on about the 20th of Feb. 1862, desert his Regiment while on the march from Grayson Orange to Rochester Ky. "

"Finding and Sentence."

"And the Court do therefore Sentence him the said James Dunn, Private in F 27 Ky Vols. To forfeit all pay and allowances due and to become due, have his head shaved in the presence of troops, and to be confined at hard labor in some Military Prison, during the residue of his term of enlistment."

Said proceedings were approved by Brig-Gen Boyle Comdr District of Western Ky in General Order

No 20 No 20 District of Western Ky May 14th 1863 as follows
"Finding and Sentence Confirmed, except the words 'in
Some Military Prison'. The Prisoner will perform hard
labor on the works at Mumfordsville Ky for Six months under
the direction of the Commanding Officers."

Said Prisoner performed hard labor on the works at
Mumfordsville Ky to the 14th day of Nov 1863 (Six months from
date of the order above cited) He was then restored to duty.
The Sentence of the Court Martial forfeited his pay and
allowances during the period of his term of enlistment, and
the order restoring him to duty after six months hard labor
on the works at Mumfordsville Ky, did not restore his pay.

Said Prisoner is a poor man and has a wife and three
children, who are dependent upon his pay for a support.
Since his return to the Regiment he has discharged all
his duties as a Soldier well and faithfully. I have the
honor to request that Said Prisoner's pay and allowances
be restored from the 14th of November 1863. This would
be deducting his pay for the period of Six months.
I am Sir

Very Respectfully

for

Thos. Eaton John J. Martin

and Julius Boston privates of Company E. of this
Regt. were Court Martialed in Nov 1862 while the Regt.
was serving in the Dept. of the Cumberland. They were
charged with Desertion. When the Regt was ordered to
this point they were left back with the Brigade (19th
Col. Hays) They were released and ordered verbally to report
to their Regt by Col. Blake (9th Ind) then Company A
only the 19th Brigade and have been with the Regt ever
since doing fatigue duty.

It is presumed that the records of the Court have
been lost and these men having families dependent
on them for a support, I would most respectfully
ask for an order returning them to duty.

NOTATION.

Book mark:

War Department, A.G.O.

Record and Pension Division,

Washington, February 23, 1880.

This man deserted on or about February 20, 1862, and

on or about September 20, 1863.

As he was subsequently restored to duty by S.F.C. #48 3/4 2nd Regt of the 1st Col. 17th

without trial, but upon conditions which appear to have been complied with (so far as not waived by the Government), the charge of desertion no longer stands against him. The record of the fact that he was absent in desertion from on or about February 20, 1862, to on or about September 20, 1863,

cannot, however, be expunged.

The charge of desertion of Feb'y 20, 1862, is removed for error.

GENERAL ORDERS, }
No. 75.

WAR DEPARTMENT,
ADJUTANT GENERAL'S OFFICE,

WASHINGTON, September 11, 1861.

The following order has been received from the War Department and is published for the information of all concerned :

WASHINGTON, September 9, 1861.

For the purpose of preserving accurate and permanent records of deceased soldiers and their place of burial, it is hereby ordered that the Quartermaster General of the U. S. Army shall cause to be printed and to be placed in every General and Post Hospital of the Army, blank books and forms, corresponding with the accompanying duplicate forms, for preserving said records. The Quartermaster will also provide proper means for a registered head-board, to be secured at the head of each soldier's grave, as directed in the following special order to commanding officers, in reference to the interment of deceased soldiers.

It is hereby ordered, that whenever any soldier or officer of the United States Army dies, it shall be the duty of the commanding officer of the military corps or department in which such person dies to cause the regulation and forms provided in the foregoing directions to the Quartermaster General to be properly executed. It is also ordered that any adjutant or acting adjutant (or commander) of a military post or company, immediately upon the reception of a copy of any mortuary record from a military company, shall transmit the same to the Adjutant General at Washington.

SIMON CAMERON,

Secretary of War.

L. THOMAS,

Adjutant General.

By order :

OFFICIAL :

Assistant Adjutant General.

REGULATIONS FOR MILITARY BURIALS AND THE REGISTRATION OF DECEASED SOLDIERS AND THEIR GRAVES.

The friends of deceased soldiers desire that accurate and permanent registration be made of date, place of burial, transfers of corpse, and official orders respecting interment, to enable them to find the grave, and such records as are important for purposes of identification.

To attain these ends;—

First. The hospital in which the soldier dies must preserve a sufficient and proper record.

Second. The Adjutant General's Office should receive a perfect duplicate of the same, as the records of that office would be more permanent than those of the hospitals or the cemeteries.

GENERAL ORDERS, }
No. 75. }

WAR DEPARTMENT,

ADJUTANT GENERAL'S OFFICE,

WASHINGTON, September 11, 1861.

The following order has been received from the War Department and is published for the information of all concerned :

WASHINGTON, September 9, 1861.

For the purpose of preserving accurate and permanent records of deceased soldiers and their place of burial, it is hereby ordered that the Quartermaster General of the U. S. Army shall cause to be printed and to be placed in every General and Post Hospital of the Army, blank books and forms, corresponding with the accompanying duplicate forms, for preserving said records. The Quartermaster will also provide proper means for a registered head-board, to be secured at the head of each soldier's grave, as directed in the following special order to commanding officers, in reference to the interment of deceased soldiers.

It is hereby ordered, that whenever any soldier or officer of the United States Army dies, it shall be the duty of the commanding officer of the military corps or department in which such person dies to cause the regulation and forms provided in the foregoing directions to the Quartermaster General to be properly executed. It is also ordered that any adjutant or acting adjutant (or commander) of a military post or company, immediately upon the reception of a copy of any mortuary record from a military company, shall transmit the same to the Adjutant General at Washington.

SIMON CAMERON,

Secretary of War.

L. THOMAS,

Adjutant General.

By order :

OFFICIAL :

Assistant Adjutant General.

REGULATIONS FOR MILITARY BURIALS AND THE REGISTRATION OF DECEASED SOLDIERS AND THEIR GRAVES.

The friends of deceased soldiers desire that accurate and permanent registration be made of date, place of burial, transfers of corpse, and official orders respecting interment, to enable them to find the grave, and such records as are important for purposes of identification.

To attain these ends;—

First. The hospital in which the soldier dies must preserve a sufficient and proper record.

Second. The Adjutant General's Office should receive a perfect duplicate of the same, as the records of that office would be more permanent than those of the hospitals or the cemeteries.
